

## Review of current plan – aim, objectives and policies

The table below reviews the aim, objectives and policies of the current plan in relation to the Network Plan. Editorial revision of the entire plan will be required to ensure consistency with the Network Plan framework. Significant changes to the East Harbour Regional Park management plan required to meet the intent of the Network Plan, or to allow for changes in land management and status, are identified below.

Other parts of the plan may require further change or review in response to submissions, feedback, or proposals for the Park. These changes are also highlighted in the table below.

	Section of East Harbour Regional Park Management Plan	Significant change required?
<b>AIM</b>		
	To provide for the sustainable management of East Harbour Regional Park, to preserve, protect and enhance the park's character, indigenous plant and animal life, and other natural, cultural and historic values, while providing for outdoor recreation and other appropriate uses.	Possible - landscape values raised in submissions
<b>OBJECTIVES</b>		
	Park Management and Development, Co-ordination and Co-operation, Natural and Cultural Heritage, Recreation, Education and Promotion.	No - additional objectives may be required to reflect Network Plan provisions.
