

Review of current plan – aim, objectives and policies

The table below reviews the aim, objectives and policies of the current plan in relation to the Network Plan. Editorial revision of the entire plan will be required to ensure consistency with the Network Plan framework. There are few significant changes to the Battle Hill management plan required to meet the intent of the Network Plan but these are identified below.

Other parts of the plan may require further change or review in response to submissions, feedback, or proposals for the Park. These changes are also highlighted in the table below.

Sections where change will be required are highlighted in bold.
