That the Council:

(a) Excludes the public from the following part of the proceedings of this meeting namely:

1. Rolling stock capacity to meet peak period demand
2. Insurance renewal 2012/13
3. Appointments to Wellington Regional Stadium Trust

The general subject of each matter to be considered while the public is excluded, the reasons for passing this resolution in relation to each matter and the specific grounds under section 48(1) of the Local Government Official Information and Meetings Act 1987 for the passing of this resolution are as follows:

General subject of each matter to be considered:	Reason for passing this resolution in relation to each matter	Ground under section 48(1) for the passing of this resolution
1. Rolling stock capacity to meet peak period demand	Certain information contained in this report relates to potential future rolling stock procurement contracts. Release of this information would be likely to harm the negotiating position of Greater Wellington as it sets out potential options, which if exposed to the market would adversely affect Greater Wellington's capacity to negotiate an outcome most advantageous for ratepayers. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override the need to withhold the information.	That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(i) of the Local Government Official Information and Meetings Act 1987 (i.e. to enable Greater Wellington to carry out, without prejudice or disadvantage, negotiations).
2. Insurance renewal 2012/13	The report contains information provided by insurance providers relating to pricing for the renewal of Greater Wellington's insurance. Release of this information would be likely to prejudice the providers' commercial position as it would reveal their pricing. In the circumstances, this is considered unreasonable given the	That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(b)(ii) of the Local Government Official Information and Meetings Act 1987 (i.e. to

environment insurance providers operate in. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override this prejudice to their commercial position. *protect information where the making available of that information would be likely unreasonably to prejudice the commercial position of the person who supplied or is the subject of the information).*

3. *Appointments to Wellington Regional Stadium Trust* *The information contained in this report relates to the proposed appointment of Trustees to the Wellington Regional Stadium Trust. Release of this information would prejudice the proposed appointees' privacy by disclosing the fact that they are being considered as a Trustee. Greater Wellington has not been able to identify a public interest favouring disclosure of this particular information in public proceedings of the meeting that would override the privacy of the individuals concerned.* *That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information for which good reason for withholding would exist under section 7(2)(a) of the Local Government Official Information and Meetings Act 1987 (i.e to protect the privacy of natural persons).*

This resolution is made in reliance on section 48(1) of the Local Government Official Information and Meetings Act 1987 and the particular interest or interests protected by section 6 or section 7 of that Act which would be prejudiced by the holding of the whole or the relevant part of the proceedings of the meeting in public are as specified above.

(b) Permits John Strahl of DLA Phillips Fox to remain at this meeting, after the public has been excluded, because of his knowledge of potential future commercial contracts. This knowledge, which will be of assistance in relation to the matter to be discussed, is relevant to that matter because of DLA Phillips Fox's role as legal advisor to Greater Wellington relating to these potential future commercial contracts.

The motion was **CARRIED**.

The meeting went into Public Excluded Business at 9.40am. Public Excluded Business concluded and the Council adjourned for morning tea at 10.50am. The meeting reconvened at 11.20am to deal with the remaining items of Public Business.
